If I get too drunk tonight, Jesus gonna drive me home
If I get too drunk tonight, Jesus gonna drive me home
If I get too drunk tonight, Jesus gonna drive me home
Drive me home, drive me home, drive me home

If I get locked up tonight, Jesus gonna go my bail
If I get locked up tonight, Jesus gonna go my bail
If I get locked up tonight, Jesus gonna go my bail
Go my bail, go my bail, go my bail

When I go through hell tonight, Jesus gonna ride
shotgun
When I'm closin' on a state line, Jesus gonna ride
shotgun
Caught my woman with another guy so I had to shoot
her with a shotgun
Jesus, come and get me my good Lord

If I get too drunk tonight, Jesus gonna drive me home
Oh, if I get too drunk tonight, Jesus gonna drive me
home
If I get too drunk tonight, Jesus gonna drive me home
Drive me home, drive me home, drive me home, drive
me home
