The Best Thing I've Ever Done

The dying day,
Paints a portrait of sadness
Upon this lonely LA tear
Now I've found a home
In this prison of my own
Trapped in a borderline career

But there she sits
In a store on 13th street
Walking a borderline of her own
Is she ever gunna know
The...way that I see her
When she walks into a room

And I'm...
Not exactly happy
About all of the things I've done
I've made some mistakes
And I know that I'm young
And I'm sorry if I hurt anyone

But of all the things I'm proud of
And the places I've found in the sun
The way I find myself loving her...
Is the best thing I've ever done

God knows it's hard
To let someone new in
When you're still lookin' for a sign
And the harder it sits
The older I get
But the taste...
Is as sweet as wine

So come with me..
Skate across the dance floor
As I sing my song for you
But if you let go...
I...

Want you to know
I'm saving my dance for you

And I know I've climbed some mountains
That I probably never should have climbed
I feel I've fallen farther and hit bottom harder
More than any man with reason or rhyme

But if I only had a way to show her
How deep my heart it runs
And the way I find myself loving her...
Is the best thing I've ever done

And if anyone would have told me
I would ever love anyone this way
I probably would never have listened
But now I'm here...
And I have to say

That you only make me stronger
And I've never been more proud of anyone
And the way I find myself loving you...
Is the best thing I've ever done.
