I found a letter
just yesterday.

And what it say
i can't disclose.

When I read that letter
every word that it say.

My Heart it just froze.

Chorus:
Ain't it a shame.
Aint it a shame
Aint it a shame,
such a sad, sad shame.
My Baby's been runnin' around
All around this town.
with another man.

I pack her stuff up.

Put it out on
the front porch.

When she gets

home she'll surely see.

Knowin' it was so hard going through
our life together.

Figurin' out what belong to you.

And what belongs to meee.

Repeat Chorus

So many times ive forgiven her.

So many times i can never get back.

I dont wanna know how long
its been going on.

I just wanna leave this town and never look back!

Repeat Chorus

THE END
