I realize that I wanna be with you forever so say those  
three little words that I wanna hear I love you I love you

Never believed in love at first sight but I believe what  
I'm feeling tonight cause when I saw you across the  
room I felt my heart going boom boom boom I stopped  
turn around tryin to keep my feet on the ground I  
stepped to you because I knew you were feeling it to  
because I realize that I wanna be with you forever so  
say those three little words I wanna hear I love you I  
love you
