CHORUS

Behold he comes
Riding on a cloud
Shining like the sun
At the trumpet's call
Lift your voice
It's the year of jubilee
And Out of Zion's hill salvation comes

Verse 1

These are the days of Elijah
Declaring the Word of the Lord
And these are the days of his servant, Moses
Righteousness being restored
And these are the days of great trial
Of famine and darkness and sword
Still we are the voice in the desert crying
Prepare ye the way of the Lord

Chorus

Verse 2

And these are the days of Ezekiel
The dry bones becoming as flesh
And these are the days of his servant, David
Building the temple of praise
And these are the days of the harvest
The fields are all white in your world
And we are the laborers in your vineyard
Declaring the word of the Lord

Verse 3

These are the days of the glory
The Lord on His people descend
And these are the days of the Word and Spirit
Coming to life once again
And though there's been slumber and silence
Confusion, division, and sin
Though now comes a mighty thunder earthquake
Greater than ever has been

Chorus

There's no god like Jehovah
He comes in clouds of glory
He's thrusting in the sickle
And gathering home His children

There's no God like Jehovah
There's no God like Jehovah
There's no God like Jehovah
Repeat 3 Times

Chorus

There's no god like Jehovah
He comes in clouds of glory
He's thrusting in the sickle
And gathering home His children
There's no god like Jehovah
There's no god like Jehovah
There's no god like Jehovah

(There's no god like our God
He's the one true living God
He' our Savior and our Redeemer
There's no god like our God like our God)
Repeat 3 Times

CHORUS X2

Lift your voice it's the year of jubilee
And out of Zions hill salvation comes
And out of Zions hill salvation comes
And out of Zions hill salvation comes
