How can I tell you, how you've touched my life,
I have no words to describe you,
do you remember when you wrote "I love you" in my
hand ?
I thought to myself "this is the man",
there's something about you.

(You've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang.

Don't you know exactly what drew me to you,
was it your sexy eyes that see right through me.
or was it your caress that provides without words or
contest,
that you know and I know you're the best,
there's something about you.

(You've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang.

My love's automatic, when it comes to you,
I'm at your command, there's nothing I won't do,
claim me as your own, I don't mind possession,
you know and I know, you're my obsession.

(You've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang goin' on
(goin' on),
(you've got that) you've got that sexy thang.

[solo]

(You've got that sexy thang goin'),
(you've got that sexy thang goin'),

ever since that day I met you baby
(you've got it, got that sexy thang goin' on),
you've had it goin' on
(you've got that sexy thang goin'),
don't know how you do it baby
(you've got it, got that sexy thang goin' on),
but you know how to turn me on
(you've got that sexy thang goin'),
you've got it goin' on
(you've got it, got that sexy thang goin' on),
and I like what is goin' on
(you've got that sexy thang goin'),
you've got it goin' on baby
(you've got it, got that sexy thang goin' on),
it's in the way you talk
(you've got that sexy thang goin'),
you know, you've got that sexy thang
(you've got it, got that sexy thang goin' on),
so sexy
(you've got that sexy thang goin').

My love is automatic when it come to you,
there's nothing that I won't do,
call my name all night and day,
all I do is want you baby,

(you've got it, got that sexy thang goin' on),
you've got it goin' on
(you've got that sexy thang goin'),
you've got it
(you've got it, got that sexy thang goin' on),
you've got it
(you've got that sexy thang goin'),
you've got it
(you've got it, got that sexy thang goin' on),
hey you, you've got it
(you've got that sexy thang goin'),
you've got it
(you've got it, got that sexy thang goin' on),
