Say Hallelujah  
Throw up your hands  
The bucket is kicked  
The body is gone

Close your eyes  
And bow your head  
To rest your soul  
And to praise the dead

Say Hallelujah  
Throw up your hands  
The bucket is kicked  
The body is gone

Dry your eyes  
And stand upright  
Put a smile on your face  
He wouldnt want us to cry

The sun will rise  
The stars will shine  
Turning day to dusk  
And night to dawn  
Well pass on  
But until that time

Say Hallelujah  
Hallelujah  
Say Hallelujah  
Hallelujah

Say Hallelujah  
Throw up your hands  
The bucket is kicked  
The body is gone

Have mercy  
Its a wonderful life  
Eternal rest for the weary  
Mourners party tonight

Say Hallelujah  
Throw up your hands  
The bucket is kicked  
The body is gone

Wave your hands  
But dont say goodbye  
Were all gonna meet you  
On the other side
