Mother of us all
Place of our birth
How can we stand aside
And watch the rape of the world

This the beginning of the end
This the most heinous of crimes
This the deadliest of sins
The greatest violation of all time

Mother of us all
Place of our birth
We all are witness
To the rape of the world

You've seen her stripped mined
You've heard of bombs exploded underground
You know the sun shines
Hotter than ever before

Mother of us all
Place of our birth
We all are witness
To the rape of the world

Some claim to have crowned her
A queen
With cities of concrete and steel
But there is no glory no honor
In what results
From the rape of the world

Mother of us all
Place of our birth
We all are witness
To the rape of the world

She has been clear-cut
She has been dumped on
She has been poisoned and beaten up
And we have been witness

To the rape of the world

Mother of us all
Place of our birth
How can we stand aside
And watch the rape of the world

If you look you'll see it with your own eyes
If you listen you will hear her cries
If you care you will stand and testify
And stop the rape of the world

Stop the rape of the world
Mother of us all
Mother of us all
Mother of us all
Mother of us all...
