Some say youre crazy
Say that youre no good
Say your familys cursed with bad blood
But I think youre cute and misunderstood
And I wouldnt change you if I could

Letem talk you down
Call you names
My minds made up
It aint gonna change
Im sure in my heart
Happy and free
Youre the one youre the one
Youre the one for me

Some say youre bitter
Think youre mean
Uncouth untamed and unrestrained
But I think youre sensitive and sweet
Stay as you are dont change a thing

Letem talk you down
Call you names
My minds made up
It aint gonna change
Im sure in my heart
Happy and free
Youre the one youre the one
Youre the one for me

Some say youre bawdy
Wicked and wild
A restless useless juvenile
But I think youre funny and I like your smile
Want to be with you want you to stay awhile

Letem talk you down
Call you names
My minds made up
It aint gonna change
Im sure in my heart

Happy and free
Youre the one youre the one
Youre the one for me

A no count mixed up
Amount to nothing
A day away from a bum on the street
Some low class kind of royalty
Thats what they say about you
When theyre talking to me

Some say youre bad
A bad bad seed
You love to play with fire you love gambling
But I know what you love and I know what you need
And I like it when you play with me

Letem talk you down
Call you names
My minds made up
It aint gonna change
Im sure in my heart
Happy and free Youre the one youre the one Youre the
one for me
