I want the moon and the stars  
I want the whole nine yards  
I want your hands on my hips  
I want you kissing my lips  
I want the moon and the stars  
I want the whole nine yards  
I take off your shirt, you pull up my skirt

And I can't wait forever boy  
And the moon and the stars  
The look in your eyes better find its way into me

And your skin on my skin  
The bones that we're in  
Better slide your way into me

I want the moon and the stars  
I want the whole nine yards  
I want your hands on my waist  
There's no need to wait  
I want the dance of the air  
I want your hands in my hair  
Releasing your breath as I undress

And I can't wait forever boy  
And the moon and the stars  
The look in your eyes better find its way into me

And your skin on my skin  
The bones that we're in  
Better slide your way into me

I want the moon and the stars  
I want the whole nine yards  
I want your hands on my hips  
I want you kissing my lips  
I want the moon and the stars  
I want the whole nine yards  
I take off your shirt, you pull up my skirt

And the moon and the stars

The look in your eyes better find its way into me

And your skin on my skin  
The bones that we're in  
Better slide your way into me (x2)  
Oh oh oh
