You got a way with me  
Somehow you got me to believe  
In everything that I could be  
I gotta say  
You really got a way

Mmm

You got a way it seems  
You gave me faith to find my dreams  
You'll never know just what that means  
Can't you see you got a way with me

It's in the way you want me  
It's in the way you hold me  
The way you show me just what loves  
Made of  
It's in the way we make love

Youve got a way with words  
You kept me smiling  
Even when it hurts  
There's no way to mention  
What your love is worth  
I can't believe where you get through to me

It's in the way you want me  
It's in the way you hold me  
The way you show me just what loves  
Made of  
It's in the way we make love

Oh how I adore you  
Like no one before you  
I love you just the way you are

It's in the way you want me  
It's in the way you hold me  
The way you show me just what loves  
Made of  
It's in the way we make love

It's jsut the way you aree
