Christmas, Christmas time,
Love and joy is on my mind
Christmas, Christmas day,
I can't wait for Christmas day
Time to make my Christmas list, I can't wait, I can't wait
For December 25th
Time to make my Christmas list, I can't wait, I can't wait
I can't wait for Christmas day

I can't wait, December 25th,
Look up in the tree, I got a whole lot of gifts
I went to the mall, gave Santa Clause my list
And it went a little something like this
I want a new iPad, a pink pair of Jordans
A home studio where I can do my recordings
A brand new bike, a pink and black puppy
Santa Can you please get me... please

Christmas, Christmas time
Love and joy is on my mind
Christmas, Christmas day,
I can't wait for Christmas day
Time to make my Christmas list, I can't wait, I can't wait
For December 25th
Time to make my Christmas list, I can't wait, I can't wait
I can't wait for Christmas day

It's 25th's eve, I can barely sleep
Yeah, all I want for Christmas it's my...
I can't forget my brother, he want a new x box
Some... number 5's and a black g sign
I can't forget my mother she only want one
Gift to see the whole family together, this Christmas
My daddy and my grandmother, my aunties and my
uncles too

My granddaddy,... coming too

Christmas, Christmas time
Love and joy is on my mind
Christmas, Christmas day,

I can't wait for Christmas day
Time to make my Christmas list, I can't wait, I can't wait
For December 25th
Time to make my Christmas list, I can't wait, I can't wait
I can't wait for Christmas day
Christmas, I love Christmas time
It's Christmas, I love Christmas time
It's Christmas, it's Christmas
Christmas time, time for the love and care
Christmas time, it only comes once a year
Christmas time,...
Christmas time, I love Christmas time

I looked outside, I couldn't believe
Mammy look, look, it's snowing on Christmas Eve
And the lights are so pretty wrapped around the tree
And for Santa Clause we got milk and cookies
Christmas day is my favorite day
I can't wait to go outside and play
Before I go, let me make this clear
Have a very merry Christmas and a Happy New Year

Christmas, Christmas time
Love and joy is on my mind
Christmas, Christmas day,
I can't wait for Christmas day
Time to make my Christmas list, I can't wait, I can't wait
For December 25th
Time to make my Christmas list, I can't wait, I can't wait
I can't wait for Christmas day.
