Time's racing, everything is moving so fast  
For the people who were friends  
Who were close in the past

Feelings inside [unverified] you  
Wish they could know  
It's so much harder to show

But it's alright  
You know it's alright  
It's just a rainfall

Takin' your loving in the palm of my hand  
And taking my love  
Giving all that I can

Days of the future  
You lost things you had  
Just ease yourself into bed

You know it's alright  
Darling it's alright  
You know it's alright, it's all

Ah  
Ah  
(Oh oh oh)  
Ah  
(Oh)  
You can't stop the rain that falls

Feelings inside, so much harder to show  
There's blood on the hands  
Of each person I know

No one can know  
How you're holding me tight  
Or the things we're feeling tonight

You know it's alright  
Darling it's alright  
It's just a rainfall

You know it's alright  
Darling it's alright  
You know it's all, it's alright
