Ooooooh yeah

Lookin back

I know I was walkin around in disguise

Mistified

I was just as lost sole I needed a guide

And the moment that you came to change my life

Use life, burn my heart, and make me smile

Cos you and I know that

[Chorus]

I'm a different person

Yeah

Turn my world around

I'm a different person

Yeah

Turn my world around

I'm a different person

Yeah

Turn my world around

Things I had

All fading away a minute and I

Feel alive

You have twisted all of my troubles inside

Like a little piece of heaven i live life

You've refilled my heart up from the clouds

Cos you and I know that

[Chorus]

I'm a different person

Yeah

Turn my world around

I'm a different person

Yeah

Turn my world around

( Oh yeah yeah)

I'm a different person

Yeah

Turn my world around

(Turn my world around)

I'm a different person  
Yeah  
Turn my world around  
( Oh yeah yeah)

( Im im im Im im im)

Use life burn my heart and make me smile  
Cos you and i know that  
Turn my world around  
Oh yeah yeah

[Chorus]  
I'm a different person  
Yeah  
Turn my world around  
(Turn my world around)  
I'm a different person  
(oh yeah yeah)  
Yeah  
Turn my world around  
I'm a different person  
Yeah  
Turn my world around
