I need you
To see through
And open up my eyes
So that I may move a mountain
Or cross the sea
Upon the morning light

I knew you
Would breathe through
And help my wings to fly
Even when the darkest night falls
Come lie with me
Upon the burning sky

Colour of my dreams
Colour of my dreams
Colour of my dreams
Colour of my dreams (Calling out to me)
Colour of my dreams (Washing over me)
Calling out to me

Calling out to me
Washing over me
Calling out to me
Colour of my dreams, yeah

Washing over, over, over, over, over, over, over, over
Washing over, over, over, over, over me
Washing over me

[Instrumental]

I knew you
Would breathe through
And help my wings to fly, yeah
Even when the darkest night falls
You're all I see
Upon the burning sky

I need you
To see through

And open up my eyes
So that I may move a mountain
Or cross the sea
Upon the morning light

I knew you
Would breathe through
And help my wings to fly
Even when the darkest night falls
You're all I see
Upon the burning sky
