Good day for love, good day for love.
Good day for love, good day for love.

What's going on? (It's good day for love)
Have a look around (It's a good day for love)
Wake up and dance (It's a good day for love)
Take it, take a chance (It's a good day for love)

Oh, It's a good day (for love)

All the girls are walking (It's a good day for love)
And the boys imagine (It's a good day for love)
"Tireling" ring the bell (It's a good day for love)
I've never felt so well (It's a good day for love)

Oh, it's a goood day, good day for love
Good day for love, goood day
Good day for love, good day for love

All the birds are singing (It's a good day for love)
And the sun is shining (It's a good day for love)
What about you Suzy? (It's a good day for love)
I've forgotten my keys (It's a good day for love)

Oh, it's a goood day, good day for love
Good day for love, goood day
Good day for love, good day for love

Thank you, bing you, bang you, bong you, bing bong
Ring the gong, boys have never felt so strong, yeah!
Do tell, ring the bell, girls have never felt so well, yeah,
yeah!
Bring the gong, some news on the radio now

(Sun is in the air, sun is everywhere)

Take off the night (It's a good day for love)
Love will be allright (It's a good day for love)
We (??) (It's a good day for love)

Love is everything (It's a good day for love)
And the boys imagine, and the girls imagine

Good day for love, good day for love
Good day for love, good day for love
Good day, good day

Hello honey, on the beach now!
