(Who, whoo
Yeah, yeah)

I'm in the mood for dancing, romancing
Who, giving it all, tonight
I'm in the mood for dancing, I feel like dancing
Who, so come on and hold me tight

Dancing (dancing)
I'm in the mood, babe
So let the music play
Who, dancing (dancing)
I'm in the mood, babe
So get on up and let your body sway

I'm in the mood for dancing, romancing
You know I should never stop tonight
I'm in the mood, I'm in the mood, I'm in the mood

To dance, get up and dance, come on and dance
I'm in the mood to take a chance
Yeah let's dance, come on and dance
I'm in the mood to take a chance
Yeah let's dance, come on and dance
Get on your feet, now make your dance
Let us dance, come on and dance
