If you wanna stay the night
Baby, knock on my door
Not gonna stand here and wait
I got an open mind
Know what you're here for
You're gonna have it your way

If you wanna make love
You're at the right place
You're getting close to the fire
I want you too boy
Just look at my face
I'm gonna show you the way

No I don't wanna fail, fail, fail in love with you
Playing on a game 'cause what I feel is true
I don't wanna fill, fill, fill my need for you
But I do, I think that you ain't far, believe
And we fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
Babe we fail in love-oh-oh-oh

You wanna stay the night
And make out on the floor
Then that's what we're gonna do
I got a dirty mind
Know what you crave for
Baby I'm ready for you

Gonna make you work baby
Gonna make you sweat now
Wanna make you sing like a bird on a wire
Gonna make you scream loud
Wanna make you steam now
Gonna make you go all the way

No I don't wanna fail, fail, fail in love with you
Playing on a game 'cause what I feel is true
I don't wanna fill, fill, fill my need for you

But I do, I think that you ain't far, believe
And we fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
Babe we fail in love-oh-oh-oh

If you wanna stay the night
I got an open door
Baby I'm ready to play

No I don't wanna fail, fail, fail in love with you
Playing on a game 'cause what I feel is true
I don't wanna fill, fill, fill my need for you
But I do, I think that you ain't far, believe
And we fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
We fail in love-oh-oh-oh
Oh we fail in love-oh-oh-oh
