I... I wanted to make some changes
I wanted to do something... with my life
And I... I... I wanted to do it on my own
Prove I could survive all alone in the middle of the night

From Glam to wham they let me fall
I can't believe I'm here at all
(here at all)
Glam to wham
Glam to wham
Glam to wham, it's all a game
I'm just a number not a name
Well, they punched me out and punched me in again
Glam to wham, oh, oh, oh

Well... things are going to be different now
I guess I'll just have to face the crowd
One more time
And here... yeah... here I'm dealing with the real world
Here, I'm really in the picture in the middle of the day

From Glam to wham they let me fall
I can't believe I'm here at all
(here at all)
Glam to wham
Glam to wham
Glam to wham, it's all a game
I'm just a number not a name
Well, they punched me out and punched me in again
Glam to wham, oh, oh, oh
Glam to wham, oh, oh, oh

From Glam to wham they let me fall
I can't believe I'm here at all
(here at all)
Glam to wham
Glam to wham
Glam to wham, it's all a game
I'm just a number not a name
Well, they punched me out and punched me in again
Glam to wham, oh, oh, oh
