I know the times are tough and dreams can cost me
dearly,
Well, my dreams have been turned and tossed, but
now they unfold clearly,
Ambition is a beast we all must tame,
Become so obsessed with it we lose the game.

One day the wind blows hot and cold,
Life can be sweet and sour,
But I am in control.
It can chill me to the bone,
Give me wings to fly on my own,
I am in control.

Well, I keep my head ahead of the tide,
'Cos where one door slams another opens up wide,
When the green-eyed monsters knock at my door,
They wonder what on Earth I came here for?

(Say it)

One day the wind blows hot and cold
Life can be sweet and sour
But I am in control
It can chill me to the bone
Give me wings to fly on my own
I am in control

One day the wind blows hot and cold
(I am in control)
Life can be sweet and sour
But I am in control (flying on my own)

One day the wind blows hot and cold
(I am in control)
Life can be sweet and sour
But I am in control

It can chill me to the bone
Give me wings to fly on my own
I am in control.
