Hey Mr. know it all,
Hey you Mr. know it all,
Hey Mr. with a masterplan,
You promised long ago.
Things will change.

Hey Mr know it all.
What's the plan, what's the plan.
Hey you Mr know it all,

State of the union I address
The issue is now at hand.
His stories repeats itselfs, can't stand the way it ends
He said it goals to conquer al, the planets and the
stars.
Saintly intetion, leaving evil scars.
And you're Mr. please,

Hey you Mr. know it all,
Hey you Mr. with a masterplan.
You promised long ago, things will change.
Hey Mr know it all, what's the plan, what's the plan.
Hey Mr. know it all,
Do you really know it all?

Oweoo... bambaweo... oweoo.

He's got a big old car and a big old house,
And living on the hill,
In the neighbourhood save from harm,
Dictating how he lives.
I wonder if he even knows what's going on,
How living in the city is a struggle for us all,
Mr please,

Hey you Mr. know it all,
Hey you Mr with a masterplan.
You promised long ago, things will change.
Hey you Mr. know it all,
What's the plan, what's the plan?
Hey Mr. know it all,

Do you really know it all?

Oweoo... bambaweo... oweoo.

You say you want to save the world.
But who will you save first?
Mr. Know, Know it all.

You say you wanna set us free.
But when we're free, you box us in.
Mr. know, know it all.

Ow you Mr. know it all
Ow you Mr. with a masterplan.
You promised long ago, things will change.
Hey you Mr. know it all,
What's the plan, what's the plan?
Hey you Mr. know it all, do you really know it all?

Oweoo... bambaweo... oweoo.

You say you want to save the world,
But who will you save first?
Mr Know, know it all.

You say you wanna set us free.
But when we're free, you box us in.
Mr. Know, know it all,

Why you're Mr Know it all?
Mr know it all...
Do you really know it all?
