Shattervox - Blood On the Stone

We're digging in the dirt for the western world,  
For the twinkle in the eye, for the love of the girl,  
We do it for the fortune and we do it for the fame,  
But it only brings us sorrow, and it only brings us  
shame.

Blood on the Stone, Blood on the Stone,  
Shattered dreams and broken bones  
Blood on the Stone, Blood on the Stone,  
Shattered lives and broken homes  
Digging in the pits with the sun in my eye,  
Just the other day I watched a man die,  
He put his hand in his pocket and they shot him in the  
back

They the told the cops it was a heart attack  
Blood on the Stone, Blood on the Stone,  
Shattered dreams and broken bones  
Blood on the Stone, Blood on the Stone,  
Shattered lives and broken homes  
Was it for the blood? Or was it for the money?  
Only the killer knows why.  
He puts his guns on the ground and he falls on to his  
knees

Drops his head and starts to cry,  
Blood on the Stone, Blood on the Stone,  
Shattered dreams and broken bones  
Blood on the Stone, Blood on the Stone,  
Shattered lives and broken homes  
What are we fighting for?  
What are we fighting for?  
I'm on the streets of New York and I'm trying to find the  
man,  
I got the world in my pocket, and I got blood on my  
hands,  
Well it sparkles and shines and its all that I own,  
And the jeweler don't care if there's blood on the stone  
Blood on the Stone, Blood on the Stone,  
Shattered dreams and broken bones  
Blood on the Stone, Blood on the Stone,  
Shattered lives and broken homes

What is the fighting for?  
Is it a symbol of love?  
What is the killing for?  
Is it a symbol of love?  
What is the dying for ,, ?  
Is it a symbol of love? [break]  
A SYMBOL OF LOVE !!!!!!!!
