Arms Of Love

I loved a sweet little thing she was just 16  
Pretty as the stars above  
But her mom snuck up to my pickup truck  
I was snatched from the arms of love

I had a class full of sass disguised as math  
The only reason I showed up  
But the man with the chalk sent  
Me for a walk  
I was snatched from the arms of love

Chorus:

Snatched from the arms of love never  
Gonna get me enough  
Of the sweet thing that your baby brings  
When you're snatched from the arms of love

Well I been workin' real hard on a  
Valentine's card  
Sent it with my bills and stuff  
But the postman snapped, shot a  
Hole in his sack  
I was snatched from the arms of love

Chorus

I knew a dancer named Star and she  
Loved guitar  
Her dresses fit her like a glove  
But my best friend Phil got a record deal  
I was snatched from the arms of love

Chorus (2X)

Of the sweet little thing that your  
Baby brings  
When you're snatched from  
The arms of love
