Lately it's been drivin' me mad,
Cause you're the best thing,
That I've ever had.
And I want you,
I want you bad.

So come on,
Lets give it a whirl.
And we can shake up
The whole wide world.
And I want you.
Oh, I want you girl.

I'm all run out of things to do.
I've got no other place but you.
Never, no you'll never be sad,
I'm gonna make you feel so glad.

And I want you.
Oh, I want you bad.

I'm all run out of things to do.
And I've got no other place but you.
Thinking I'm gonna losing my head.
You know the phone line,
Is takin' too much bread.

And I want you.
Oh, I want you bad.
Oh, and I want you,
I want you bad.
