Honey bees are gonna be hummin' guitar strings are
gonna be strummin'
When I'm back in my baby's arms again
Happy wheels are gonna be turnin' flames of love are
gonna be burnin'
When I'm back in my baby's arms again.

No more tears are gonna be fallin', I done heard my
true love a callin'
Open arms are waitin' yonder round the bend
Rivers of honey are gonna be flowin' big sweet flowers
are gonna be growin'
When I'm back in my baby's arms again.

--- Instrumental ---

Back in my baby's arms again.

--- Instrumental ---

Back in my baby's arms again.

The voice of love is gonna be talkin' hand in hand we're
gonna be walkin'
When I'm back in my baby's arms again
Big old swings are gonna be swingin' water springs are
gonna be springin'
When I'm back in my baby's arms again.

No more tears are gonna be fallin', I done heard my
true love a callin'
Open arms are waitin' yonder round the bend
Rivers of honey are gonna be flowin' big sweet flowers
are gonna be growin'
When I'm back in my baby's arms again.

When I'm back in my baby's arms again...
