(Cindy Walker - Bob Wills - Tommy Duncan)

Tonight in a bar alone I'm sitting
Apart from the laughter and the cheer
While scenes from the past rise before me
I'm watching the bubbles in my beer.

A vision of someone to love me
To my eyes brings along solty tears
As I think of the heart that I've broken
While watching the bubbles in my beer.

--- Instrumental ---

I'm seeing the road that I've traveled
A road paved with heartaches and tears
And I'm seeing the past that I've wasted
While watching the bubbles in my beer.

A vision of someone to love me
To my eyes brings along solty tears
And I know that my life's been a failure
While watching the bubbles in my beer.

While watching the bubbles in my beer...
