(Larry Kingston - Troy Snow)

My friend he fixed me up with a girl he said he knew
He guaranteed we'd get along just fine
And when I went to pick her up I found out what he
meant
He knows that strange and weird things are a hobby of
mine.

I wouldn't take her to a dog fight
Or any other place I've ever been
I wouldn't take her to a dog fight
not even if she had a chance to win.

Curiosity they say killed the cat
And I've been the curious sort all of my life
I hung around convinced she couldn't really look that
bad
She got me drunk and when I woke up I had a wife.

I wouldn't take her to a dog fight
Or any other place I've ever been
I wouldn't take her to a dog fight
Not even if she had a chance to win.

Well, now the years have passed and our daughter's in
her teens
Her boy friend comes and hangs around the place
He never takes her anywhere I don't dare ask him why
'Cause she's the spittin' image og her mama in the
face,

And I wouldn't take her to a dog fight
Or any other place I've ever been
I wouldn't take her to a dog fight
Not even if she had a chance to win.

I wouldn't take her to a dog fight
Or any other place I've ever been
I wouldn't take her to a dog fight
Not even if she had a chance to win...
