(Hank Cochran)

I'm gonna live just as long as I can  
I'm gonna roar till it bore me in the sand  
I'm a gonna stay stoned just as long as I can stand  
I'm gonna live just as long as I can.

Walk the right way is the best way I go  
But I tried it and I tried it don't you know  
I been good if you think I should constantly  
I didn't think you could but you thew the hook right out  
on me.

So I'm gonna live just as long as I can  
I'm gonna roar till it bore me in the sand  
I'm a gonna stay stoned just as long as I can stand  
I'm gonna live just as long as I can.

--- Instrumental ---

If you ever change your mind I'll be around  
But I'll be high and so maybe hard to get me down  
Day by day there was no way of pleasin' you  
I thought I was right but the right was the wrong way for  
you.

So I'm gonna live just as long as I can  
I'm gonna roar till it bore me in the sand  
I'm a gonna stay stoned just as long as I can stand  
I'm gonna live just as long as I can.

Yeah, I'm gonna live just as long as I can...
