Well folks, I think we got about time enough for one more song on the album, but before we do it we'd like to say thank you so much for being such a great audience tonight. We've had a great time bein' here in Dallas with you. And we hope it won't be too long till we get back down this way and sing some more songs for you.

Here's a song that we'd like to close out the album with tonight  
This was written by my friend from Mexia, Texas - Miss Cindy Walker  
It's a song that was recorded many, many years ago by Mr. Bob Wills  
And we'd like to do it for you and we hope you like the way we do it  
Here it is it's called "You're From Texas..."
