(Scott Wiseman - Bascomb L. Lunsford)

There's a road away from me there's an old holler tree
Where you lay down a dollar or two
Go around the bend then you come back again
For that good ole mountain dew.

They call her that ole mountain dew, Lord, Lord
And them that refuse it are few
I'll hush up my mug if you'll fill up my jug
With that good ole mountain dew.

--- Instrumental ---

My old uncle Mort was sawed off and short
He measured about four foot two
But he thinks he's a giant when you give him a pint
Of the good ole mountain dew.

Well, they call her that ole mountain dew, Lord, Lord
And them that refuse it are few
I'll hush up my mug if you'll fill up my jug
With that good ole mountain dew.

--- Instrumental ---

My old uncle Bill's got a still on the hill
He'd run off a gallon or two
And the buzzards in the sky'd get so drunk they
couldn't fly
Smellin' that good ole mountain dew.

Well, they call her that ole mountain dew, Lord, Lord
And them that refuse it are few
I'll hush up my mug if you'll fill up my jug
With that good ole mountain dew.

--- Instrumental ---

Well, they call her that ole mountain dew, Lord, Lord
And them that refuse it are few

I'll hush up my mug if you'll fill up my jug
With that good ole mountain dew...
