(Bob Wills)

Deep within my heart lies a melody a song of old San
Antone
Where in dreams I lived with a memory beneath the
stars all alone
It was there I found beside the Alamo enchantment
strange as the blue up above
A moonlit pass that only she would know still hears my
broken song of love.

Moon and all your splendor knows only my heart
Call back my Rose Rose of San Antone
Lips so sweet and tender like petals falling apart
Speak once again of my love my own
Broken song empty words I know still live in my heart
all alone
But that moonlit pass by the Alamo and Rose my Rose
of San Antone.

Moon and all your splendor knows only my heart
Call back my Rose Rose of San Antone
Lips so sweet and tender like petals falling apart
Speak once again of my love my own
Broken song empty words I know still live in my heart
all alone
But that moonlit pass by the Alamo and Rose my Rose
of San Antone.

And Rose, my Rose of San Antone...
