Thank you very much.

Here's a song that I would like to do for you on this album.

We hope you like the way we do it for you.

This song is written about a little town in Oklahoma
The name of the town is Moffett, Oklahoma
I don't know how many of you folks have been there or not.

Yeah, everbody knows where Moffett is, everbody knows where Moffett is.

Well great, it's a great town.

And I'd like to do a song kind of a tribute to "Moffett, Oklahoma"

We hope you like here's the way it goes...
