(Vic McAlpin - Lester Vanadore)

In a place where no one knows us we hold secret  
randezvous  
We laugh and joke as though it's right to do the things  
we do  
You're someone else's darling but when I'm holding  
you so close  
Why do I always feel the best when my conscience  
hurts the most.

Why do I get such a thrill from loving you so much  
I know you can't be mine to keep but just to sometimes  
touch  
In a place where no one knows us our love can't be  
exposed  
Why do I always feel the best when my conscience  
hurts the most.

--- Instrumental ---

Why do I get such a thrill from loving you so much  
I know you can't be mine to keep but just to sometimes  
touch  
In a place where no one knows us our love can't be  
exposed  
Why do I always feel the best when my conscience  
hurts the most...
