ï»¿Love Me Tomorrow

Boz skaggs

You say that you'll love me anyway

but I know it's not in your eyes.

You say you can't take it night and day

but I know It's an alibi.

Deja where did we go wrong?

Y' said that you'd be mine 'till the end of time.

Love me tomorrow, love me tomorrow

Love me tomorrow, love me tomorrow

I say it's a sad sort of play when you never let in my
lines.

You say that I'm better off this way but I know it's all in
your mind.

Deja where did we go wrong?

Y' said that you'd be mine 'till the end of time.

Love me tomorrow, love me tomorrow

Forget all your sorrow, love me tomorrow

Slide Guitar (8 measures)

Deja where did we go wrong?

Y' said that you'd be mine 'till the end of time.

Love me tomorrow, love me tomorrow

Forget all your sorrow, love me tomorrow

Fender Rhodes (4 measures)

Ah-ooo

Hoo hoo hoo-hoo-hoo

(repeat to fade)
