(Johnny Wilson/Rory Bourke/Eugene Dobbins)

It's too late; you say you want me, but it's too late
Once my love for you was so great
But it's too late to love me now
It's too late to love me now

It's too bad; you say you need me & it's too bad
I know the feelin' & it's so sad
But it's too late to love me now
It's too late to love me now

Don't you know how hard I tried to hold out just for you
Lovin' you from memory day by day
Then someone came into my life & turned my dreams
around
& he's taken all the love you turned away

(repeat verses 1 & 2)

It's too late to love me now
