(Jeff Raymond/Buck Moore)

Some hearts out there lookin' for the perfect mate
Fool around until it's too late
& true love's passed them by
Some hearts never found out what they're after
Never learned to master
They don't even try
& then they wonder why...

CHORUS:

Some hearts get all the breaks
Some never feel the old heartache
Some hearts never make mistakes
'Cause they got what it takes
Some hearts get all the breaks

Some eyes look forever but they never see
The one love that was meant to be
They just sit & cry
Some hearts reach out but never hold you
Although they may enfold you
They never really try
& then they wonder why...

(repeat chorus & fade)
