Song by Spandau Ballet

So true
funny how it seems
always in time, but never in line for dreams
head over heels, when toe to toe
this is the sound of my soul
this is the sound
I bought a ticket to the world
but now I've come back again
why do I find it hard to write the next line
when I want the truth to be said
I know this much is true
With a thrill in my head an a pill on my tongue
dissolve the nerves that have just begun
listening to Marvin all night long
this is the sound of my soul
this is the sound
always slipping from my hands
sand's a time of t's own
take your seaside arms and write the next line
oh I want the truth to be said
