(Jeremy Kay)

Some days I feel like crying,
Don't matter if it's rain or shine.
I feel like my heart was broken
At least a million times.

Some days I wake up dreaming,
Feels like I never even woke.
I answer life's big questions
As if it's one big joke.

Maybe it's too soon to be sure,
But I really do believe
That someday we're gonna have it all.
So I try so hard to keep the rhythm of a train,
Rolling right along.
When the ride gets rough, you got to carry on.
Carry on.

Some days I feel like singing.
I sit back and just groove the day away.
Maybe pick up a guitar
And play what I want to play.

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all.
So I try so hard to keep the rhythm of a train,
Rolling right along.
When the ride gets rough you got to carry on.
Carry on.

Today I feel like laughing.
Seems to be no reason at all.
And if the world stops spinning,
I'm not afraid to fall.

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all.

So I try so hard to keep the rhythm of a train,
Rolling right along.
When the ride gets rough you got to carry on.
Carry on.
