Anything that you want, I can give you baby
I got the holiday cheer that will drive you crazy
I'm here for you girl, what's on your mind?
Let me... make you smile
Cause it's Christmas time,
Baby girl I'd be lying if I'd say every time I come
around...
We should all come together as one
Like a symphony
And I don't really care what nobody say
Cause I live 25/8 for this one day

Christmas time is here
My favorite time of the year
Time to... to the girls all over the world
Send me a text and I'll send you a kiss through the
phone
No need for no mistletoe,
I'll be saved... give me your hand, cause it's the time of
the year
Girl your Christmas love is here

It's a feeling that I can't describe, can't put in words
I wanna share this young love, across the world
Love is all we need, this Christmas night
With my baby girl, side by side
I'll be your savior just give me your hand, cause it's the
time of the year

We should all come together as one
Like a symphony
And I don't really care what nobody say
Cause I live 25/8 for this one day

Christmas time is here
My favorite time of the year
Time to... to the girls all over the world
Send me a text and I'll send you a kiss through the
phone
No need for no mistletoe,
I'll be your savior just give me your hand, cause it's the

time of the year
Girl your Christmas love is here
Your Christmas love, your Christmas love
Your Christmas love, ai
Your Christmas love, your Christmas love
Your Christmas love, your Christmas love
Your Christmas love, your Christmas love

Christmas time is here
My favorite time of the year
Time to... to the girls all over the world
Send me a text and I'll send you a kiss through the
phone
No need for no mistletoe,
I'll be saved... give me your hand, cause it's the time of
the year
Girl your Christmas love is here.
