(Woop, woop)

I'm an explosion
A little off-set
She's a commotion, tastes like chocolate

Lips like a vampire
A cherry cola
Hips like a dirty little rock 'n' rolla
Can you holla?

Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark?

I've got a problem
A complication
I'm gonna please her be her new sensation

Lips like a vampire.
A cherry cola
Hips like a dirty little rock 'n' rolla
Can you hold her?

Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of the
dark?)
Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark?

Her little black dress
Is like a lightning bolt
I'll let her rock me. Let her shock me
With a thousand volts
Her little black dress
Is like a lightning bolt
Are you afraid of the dark? Are you afraid of you?

(Woop woop)

So my immortal
I need you closer
And let's elope to Mexico like we're supposed to

Lips like a vampire
A cherry cola
Hips like a dirty little rock 'n' rolla
Can you holla?

Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of the
dark?)
Are you afraid of the dark? Are you afraid of you?

Are you afraid of the dark?

Her little black dress
Is like a lightning bolt
I'll let her rock me. Let her shock me
With a thousand volts
Her little black dress
Is like a lightning bolt
Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? Are you afraid of you?

Our lady of my last reading
Break my bones and watch my bleeding
Tied tight to my heart
Oh honey, watch me start

Our lady of my last reading
Break my bones and watch my bleeding
Tied tight to my heart
Oh honey, watch me start

Our lady of my last reading
Break my bones and watch my bleeding
Tied tight to my heart
Oh honey, watch me start

Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? Are you afraid of you?
(Woop, whoop, whoop)
Are you afraid of the dark? Are you afraid of you, you,
you?

Her little black dress
Is like a lightning bolt
I'll let her rock me. Let her shock me
With a thousand volts
Her little black dress
Is like a lightning bolt
Are you afraid of the dark? Are you afraid of you?

Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of the
dark?)
Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of you?)
Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of the
dark?)
Are you afraid of the dark? Are you afraid of you?
Are you afraid of the dark? (Are you afraid of
yourself?)
