Oh oh oh  
I hate the way that  
You look in the moonlight  
But if I'm mistaken  
I'll join you in taking  
The rest of my life (My Life)  
Oh we  
Are inclined to destroy ourselves  
But if we are open then  
I guess we're broken  
Like everyone else (one else)  
I said well  
I'm embracing your outlook on taking  
To save the last dance  
Well by chance

I'm killing romance  
In the name of love  
Love  
I'm killing romance  
In the name of love  
Love  
Oh oh oh  
Dear  
This embrace is a  
Caricature of my plans  
So head over heels  
Is the way it feels  
It mirrors romance (of romance)  
Oh well  
I'm embracing  
Your outlook on taking  
To save the last dance  
Well by chance

I'm killing romance  
In the name of love
