You're just a girl,
Just one of my accomplishments,
Another girl,
It's hard because I didn't mean for this

(So come on)

Let me stay with you
For a while for a day or maybe two
I'd rather lay with you
See your smile never follow through

Straight from "oh- ohs" to "woah-ohs"
From goodbye calls to overdose
I write your name in bullets
So you're the last thing through my head
(It's for you)
Lover's become us luscious (red)

I'm just a boy, it's hard because I live in some past
tense,
Another boy,
But I'm glad it's safe for you and now it's safe for me.
