Heart break made me a killer baby
but I was born for this
but I was born for this
yeah well I was born for this
but I was born for this

I when I was a young boy
never was a fun boy
Thank you miss

you cut me up a dreamer
made me a believer
sayin this
oh oh oh

you as good as gold
like a go go dancer
just straight from the soul
sayin oh oh oh

as good as gold
like a go go dancer
just straight from the soul

Heart break made me a killer baby
but I was born for this
but I was born for this
Heart break made me a killer baby
but I was born for this
but I was born

And I when I was a young boy
Never was a fun boy
thank you miss

Heart break made me a killer baby
but I was born for this
yeah I was born for this

So hit me with the windows
everywhere I don't know
fans see us

oh oh oh
you're as good as gold
like a go go dancer
just straight from the soul

Heart break made me a killer baby
but I was born for this

but I was born for this
Heart break made me a killer baby
but I was born for this
but I was born for this

I when I was a young boy
Never was a fun boy
thank you miss

Heart break made me a killer baby
but I was born for this
And I was born for this
born for this

whoo

d who'd of thought it
oh oh oh oh
oh that buoy don't float my boat

And who'd of thought it
oh oh oh oh
plunge that needle
give me a strut
Aow

oh oh oh
you're as good as gold

Heart break made me a killer baby
but I was born for this
but I was born for this

when I was a young boy
Never was a fun boy
thank you miss

Heart break made me a killer baby
but I was born for this
And I was born for this

but I was born for this

And I was born for this
And I was born for this
but I was born for this

but I was born for this
and I was born for this
but i was born for this
but I was born for this

And I was born for this
