You're just a girl
Just one of my accomplishments
Another girl
It's hard because I didn't mean for this

So come on
Let me stay with you
For a while for a day or maybe two
I'd like to lay with you
See your smile never follow through

And we'll go

Straight from oh oh's to whoa oh's
From goodbye calls to overdose
I write your name in bullets
So you're the last thing through my head
(It's for you, for you)
Lover's become us luscious
(It's for you, for you)
Lover's become us luscious red

I'm just a boy
It's hard because I live in some past tense
Another boy
But I'm glad it's safe for you and now it's safe for me

So come on
Let me stay with you
For a while for a day or maybe two
I'd like to lay with you
See your smile never follow through

And we'll go

Straight from oh oh's to whoa oh's
From goodbye calls to overdose
I write your name in bullets
So you're the last thing through my head
(It's for you, for you)
Lover's become us luscious
(It's for you, for you)

Lover's become us luscious red

Go

(It's for you, for you)

Lover's become us luscious red

(It's for you, for you)

Lover's become us luscious red

(It's for you, for you)

So you're the last thing through my head

(It's for you, for you)

Lover's become us luscious red

And we'll go

Straight from oh oh's to whoa oh's

From goodbye calls to overdose

I write your name in bullets

So you're the last thing through my head

(It's for you, for you)

Lover's become us luscious

(It's for you, for you)

Lover's become us luscious red

(It's for you, for you)

Oh, oh, Lover's become us luscious red

(It's for you, for you)

Lover's become us luscious red
