bled dry
a bullet never lies
look into my eyes girl would i lie to you

stained grave, do you feel the same way
tears flood from our eyes girl
would i die for you

start the engine to my car
i feel that romance will take the back seat tonight
part the seal to my heart
i feel that my chance is under the moonlight

watch them fall
(it's a disaster)
to their knees
(forever after)
as i lay i think i'm flat lining

watch them fall
(it's a disaster)
thieck as thieves
(forever after)
as i lay i think i'm flat lining

sorrow waits until tomorrow
hold me close never go
know that i would lie to you.

i'm so insane i still feel that sharp pain
running down my spine girl
could i lie to you

watch them fall
(it's a disaster)
to their knees
(forever after)
as i lay i think i'm flat lining

watch them fall
(it's a disaster)
thieck as thieves

(forever after)
as i lay i think i'm flat lining

forever just won't be the same
still i forgive you the pain
take these broken wings fly from the "heart you stole"

watch them fall
(it's a disaster)
to their knees
(forever after)
as i lay i think i'm flat lining

watch them fall
(it's a disaster)
to their knees
(forever after)
as i lay i think i'm flat lining

watch them fall
(it's a disaster)
thieck as thieves
(forever after)
as i lay i think i'm flat lining
