You must have never meant the things that you said
All those "I love you's" just to play with my head
You came with all your lies just had to waste my time
Took me for granted now you want me back

Tell me what's a girl to do I'm so over loving you
Boy I think it's time you knew I'm #1 not #2
Tell me what's a girl to do I'm so over loving you
Boy I think it's time you knew I'm #1 not #2
Don't call me when you make up your mind
(Don't call me when you make up)
'Cause I'm not gonna stay here wasting my time
I've had enough of this so now I'll decide
Don't call me (don't call me)
'Cause I'm the one who's leaving this time

I'm #1 not #2

I felt it coming but I tried not to think
I closed my eyes took a breath and I leaped
Ignored my intuition
For what my heart was missing
But now I know that I was wrong dead wrong

Tell me what's a girl to do I'm so over loving you
Boy I think it's time you knew I'm #1 not #2
Tell me what's a girl to do I'm so over loving you
Boy I think it's time you knew I'm #1 not #2
Don't call me when you make up your mind
(Don't call me when you make up)
'Cause I'm not gonna stay here wasting my time
I've had enough of this so now I'll decide
Don't call me (don't call me)
'Cause I'm the one who's leaving this time

Oh we never were meant to be
Don't bother calling me
Our love is history (don't call me)
Oh when you wake up in the morning
You'll see that I'll be gone
You'll come around and see

I'm the one you'll be thinking of

Don't call me when you make up your mind
(Don't call me when you make up)
'Cause I'm not gonna stay here wasting my time
I've had enough of this so now I'll decide (I'll decide)
Don't call me (don't call me)
'Cause I'm the one who's leaving this time

Don't call me when you make up your mind
(Don't call me when you make up)
'Cause I'm not gonna stay here wasting my time
I've had enough of this so now I'll decide
Don't call me (don't call me)
'Cause I'm the one who's leaving this time
