Well  
Ah huh-uh-uh-huh, oooow!

Yeah!

Well I'm'a just'a single fella  
With a lot on my mind  
And I'm'a lookin' for me a woman  
But she's mighty hard ta'find

Oh'I asked my country cousin  
Check the hottest spots in town  
Oh that little-bitty woman  
Well she just ain't around

Ooww! Hey, hey, ho!

Oh I'm lookin'  
Lookin'  
Searchin' high an'low  
Don't wanna miss'a spot  
Keep it on the go

Waitin'  
Watchin'  
This woman's got'ta show

I need this little bitty woman  
How much you'll never know

OOOOOOWW!!

Yes!  
Do it!  
Do it twice!  
Woo!

Well I'm'a just'a single fella  
With a lot on my mind

I said I'm lookin' for me a woman

She's mighty hard ta' find  
I asked my country cousin  
Where's she hangin' out

Lost this little bitty woman, she's just outta sight

Oh ho ho Ho!

Oh I'm lookin'  
Lookin'  
Checkin' high an'low  
Don't wanna miss'a spot  
Keep it on the go

Waitin'  
Watchin'  
That woman, she's gonna show

I need this little bitty woman  
How much you'll ever know!

Ooohhh... Now!

I just need a simple  
Where she's hanging out  
I promise'ta make it worth your while  
If you mark her out  
Name your price and make it fast  
Waited much too long  
Got that woman on the mind  
I'm gonna bring'er home

OH YEAH!

Oh I'm lookin'  
Lookin'  
Searchin' high an'low  
OW!  
Don't wanna miss'a spot  
Keep it on the goooo

Waitin'  
Watchin'  
This woman, she gonna show

I need this little bitty woman  
How much you'll ever know

Baby, I need you!  
How much you'll never know

Lord, I need this little bitty woman  
How much you'll never know!

Owww!
