Every mornin I wake up to the clock
Put on a shirt and tie and head out to my job
I thought a little respect was not askin a lot

My own sanity I found out at the bar
All that sanity can only go so far
I lost the girlfriend and I crashed three fuckin cars

Hey-ay, my liver's gonna pay
For everything in this life that causes me such pain
Hey-ay, my liver's gonna pay
Whatever life throws at you, the booze will take away

I think that someone up there has it out for me
I'll be paying for my sins for all eternity
I think my soul may be in some jeoprady

Everytime I get myself ahead
Someone up there has different plans instead
I think they'll beat me down until I wind up dead

Hey-ay, my liver's gonna pay
For everything in this life that causes me such pain
Hey-ay, my liver's gonna pay
Whatever life throws at you, the booze will take away

Throw at me what you got
It may be a lot
But I'll be the one that'll fun
Down on broken knees
Fields of shattered dreams
And I'll be the one that's standing

Hey-ay, my liver's gonna pay
For everything in this life that causes me such pain
Hey-ay, my liver's gonna pay
Whatever life throws at you, the booze will take away
Hey-ay, my liver's gonna pay
For everything in this life that causes me such pain
Hey-ay, my liver's gonna pay
Whatever life throws at you, the booze will take away

Hey-ay, my liver's gonna pay
For everything in this life that causes me such pain
Hey-ay, my liver's gonna pay
Whatever life throws at you, the booze will take away

Hey-ay, my liver's gonna pay
