My love (?)

I can't see anyone but you

I can't see anyone but you

I can't see anyone but you

I can't see anyone but you

Cause I only have eyes for you, for you

Oh the moon may be high

Oh the moon may be high

But I can't see anything in the sky

I can't see anything in the sky

I can't see anything in the sky

I can't see anything in the sky

Cause I only have eyes for you.

Oh dear, o dear

Am I trapped in a garden oh oh

Or a crowded avenue oh oh

Am I trapped in a garden

Or a crowded avenue oh

You are here and

So am I and

So am I and

So am I and

A million people may pass by

A million people may pass by

A million people may pass by

A million people may pass by

But they all disappear from view

Oh dear, oh

Am I trapped in a garden oh oh

Or a crowded avenue oh oh

Am I trapped in a garden oh oh

Or a crowded avenue oh oh oh oh oh
