Every head I cut off half of that goes to Cujo  
I cut a throat with a God damn stick  
All bodies found dead fuck it blame it on Chuckwick

[Child's Play two sample]

He tried to take over my

[Verse Two]

The world's smallest killer I can't wait 'til they bury me  
Every arm I chop off I give the fingers to charity  
I saw a dead body just about my size  
Razor blade to his face now I can see out both eyes  
It's time for breakfast but I don't want eggs

Just jelly and toast and bacon and legs  
If you try to diss that's fine with me  
Hug this is that fine with you G?  
Chuckwick Bill is from another dimension  
Unsatisfied nigga with barbaric intention  
Sometimes I'm invisible, sometimes I'm seen  
Sometimes I'm a pitchfork, sometimes I'm guillotine  
Extra ketchup on them French fried knees  
No tomato on that chopper with cheese  
I'm getting thirsty now what I'm a try  
Gulp, gulp, mmmmmm blood dry!  
You think I'm crazy you think I'm insane  
Just because I wasn't born I was found on a fuckin' train  
You wanna rumble well get up shit  
If you buck you get fucked by that nigga named  
Chuckwick  
Aw shit my nigga Ganksta Nip in the motherfuckin

Yo Nip say something to all the people out there

[Ganksta Nip]

Part one tripped y'all out part two is a motherfucker  
Gimme some bob and I'll start by killing me

And after that pass the body  
Chuckwick Bill don't have the 5th ward John Gotti  
You make me mad you're taking a fall  
Tell your kids about my god damn Chuckwick Doll  
Turn down and murder them hard  
[Nip] What's the name of your hood?  
[Bushwick Bil] 5th motherfucking ward!  
The home of the villians constant killin  
Get fired at your job start a new job car stealin  
The word Chuckwick Capitalizes each letter  
And we look as though we're two we took home room  
together  
You might think that I'm throwed  
A major malfunction made my brain explode  
Which means I'm ready slaughter  
Syphilis and gonorrhea mixed up in your drinking water  
Before I go I have this to say Hi!  
My name is Chuckwick part three's on it's way

[Child's play two sample]

Snap out of it, you're acting like you've never seen a

dead body before  
This is it world, from now on, no Mr. Good guy  
Ha-ha-ha-ha-ha-ha-ha! {\*laughing continues\*}
